

Dear Mehek,
I can't believe you are 21 now! How have the years flown by. I remember a really short and tiny mehek in grade 4 who was just as badmaash as she is now. Your smartness, confidence and beauty inspires us all. I am lucky to have grown up with you and can't believe I missed your 21st.

From our soul sisters to our constant talking in class 7 (Ajanta maam literally had to make us sit apart), to our never ending zoom calls in covid, to our first drinks and our innumerable night stays, we have come a long way. I can't wait to see where all you go and what all you do. I am always here for you! I miss you and love you!

HAPPY BIRTHDAY!!
